### Caller Redirect

This service is available following cessation or renumbering when the number is not being used as part of a new installation and provides an announcement informing callers of your new telephone number. It does not redirect the call.

## PSTN LINE PRICE LIST (effective 1st March 2015)

Feature		Connection Charge £ Exc VAT	Rental Charge Per Month £ Exc VAT
<b>Caller Redirect (CNI) - Quarterly (or part thereof) Per Number</b>			<b>30.00</b>
<b>DDI Caller Redirect - Connection charge per installation, Rental is per consecutive 10 number DDI block (or part thereof).</b>		<b>250.00</b>	<b>30.00</b>
<b>Notes:</b>			
<p>1) Where calls are diverted or forwarded, the diverted part of the call is charged to the renter of that service at standard charges including any applicable discounts. Calling customers pay the call charge only to the number which they have dialled and not to the diverted number.</p> <p>2) Three Way Calling is available on a rental or pay per use basis whereby a charge is raised when the service is activated. For each part of the three way call dialled by the End User, the Customer will be charged normal Calls rates.</p> <p>3) These services are automatically provided to all lines served by a digital exchange (but not UXD5s) at no additional rental. There is a usage charge levied on the Customer each time the services are used. A TouchTone (TouchTone is a trademark of BT in the UK) telephone is required to activate these services.</p> <p>4) Available to lines served by digital exchanges. In order to use the service End Users will require compatible equipment to display the CLI,.</p> <p>5) A number can be withheld on a per call basis by prefixing that number with 141. This facility is automatically available to all lines served by exchanges which support transfer of CLI information (TXD).</p> <p>6) For details of allowed international destinations please refer to your account manager.</p> <p>7) Customers pay a facility fee when they use the service. This charge is raised when the distinctive ringing occurs and the network is ready to set up the Ring Back call.</p> <p>8) These services are provided as pay per use.</p> <p>9) Not applicable</p> <p>10) The change of number charge is waived for customers taking a change of number in order to take any of the rented Calling Features.</p> <p>11) This facility permanently withholds a Customer's number on exchanges which support transfer of CLI information (TXD ).</p> <p>12) The Customer will be charged on a monthly basis.</p> <p>13) Not applicable</p>
